

Nebraska VR to Host Windmills Disability Awareness Training!

Windmills Disability Awareness Training provides businesses with the skills and tools to foster an inclusive workplace where every employee can have the opportunity to succeed. Two training sessions are offered each quarter. Meet your business needs and:

- Learn the skills to foster an inclusive workplace.
- Recognize the benefits of diverse experiences and abilities
- Improve communication with and about people with disabilities
- Understand how to implement low-cost accommodations
- Learn disability employment law basics
