3 Steps to Get Started

1. A parent or guardian, school staff member or other professional contacts Nebraska VR.
2. The student and parent or guardian completes a Pre-Employment Transition Services Consent & Release form.
3. The student meets with a Nebraska VR Pre-Employment Transition Services Coordinator to begin career exploration and work readiness activities.

Going Forward

Students meet individually and/or in groups with a Nebraska VR Pre-Employment Transition Services Coordinator throughout the school year. To learn about the world of work, students may participate in:

- Career exploration
- Exploring work accommodations
- Post-secondary planning

Services meet the needs of students today by preparing them for the careers of tomorrow. For example, you may:

- Identify strengths, abilities, and capabilities for work and adult living.
- Set goals for work and adult living.
- Learn habits, attitudes, and behaviors for work and skills for adult living.
- Participate in job exploration activities and community work experiences.
